

# sobo GOLD

A highly effective, pH neutral detergent degreaser that quickly removes dirt, oil and grease.

## Overview

A blend of biodegradable surfactants and wetting agents, Sobo Gold is a powerful general purpose detergent, ideal for cleaning surfaces, equipment, furniture, floors and walls.

- Biodegradable
- pH below 9
- VOC free
- Separator friendly
- Low to medium foamer

## How to use

- For best results, dilute in warm water.
- Apply by mop and buckets, cloths and spray, pressure washer, floor scrubbing machinery or other cleaning equipment.
- Allow a contact time of 2-3 minutes, then rinse with clean water.
- Dilute to 5% for general purpose and janitorial cleaning.
- Can be used as supplied for heavy duty degreasing.
- Maximum dilution: 0.5%.
- Also available pre-diluted and ready to use.
